

3 on 2 Stay On Your Side Small Area Game

Each side is 3 v 2. Offense is trying to score and must stay on their side of the ice. Defensive team is trying to pass puck across the middle line to their teammates. Coach blows a whistle after 1 minute of play.

Concepts: cycling along the wall. Puck support, offensive triangle support. Wall play, puck retrieval. Creating opportunities to the net from the wall.

Other Game Layout: an offensive player must stay at nearside post or below goalline if offense has puck or 50/50 battle. If he leaves front net or beneath goalline area, someone needs to rotate with him. If lose possession, then backcheck attacking puck.
